

CONFIDENTIAL

7 June 1951

MEMORANDUM FOR: Mr. Kirkpatrick
Mr. Pforzheimer

25X1 [] Presentation Branch, called to my attention Secretary Acheson's statement on 6 June for the MacArthur Committee to the effect that CIA had never been given a copy of General Wedemeyer's report on China.

Should we be queried on this, [] points out that his records indicate that we requested the Department of the Army to make General Wedemeyer available for a Presentation to a small group of officers of CIA. This request, submitted on 26 August 1948, was disapproved by Col. Taylor, P&O Division, Department of the Army on 15 October 1948 with a statement that the details of General Wedemeyer's report could not be released to any group until it had been cleared by the President and Secretary of State.
